

The focus of the project is to be service oriented with only a small amount of seed money. Approximately \$2,000 will be available. The project would ideally involve the talents of up to 250 club members and would need to be completed within the next year.

PROJECT PROPOSAL COVER SHEET

Projects will be considered if they meet the following criteria:

- Project must serve a population living in the Greater Wooster Community.
- Project must have the potential for positive outcomes for the recipients of the project and the community at large.
- Project must be a new, innovative project or program which meets the documented emerging, unmet or growing needs of the community.
- Project must not be a duplication of existing programs.
- Last Year's Winner cannot submit an application this year
- Applications must include an Implementation Plan with a time line and job duties
